

## GRAPE JUICE POWDER

One of the most powerful sources of protective antioxidants are found in Muscadine grapes. Muscadine Grape Seeds contain a vast group of powerful antioxidants. Muscadine Grape Seeds are a natural whole food supplement and a quick & simple way to promote vibrant good health and combat the signs of aging.

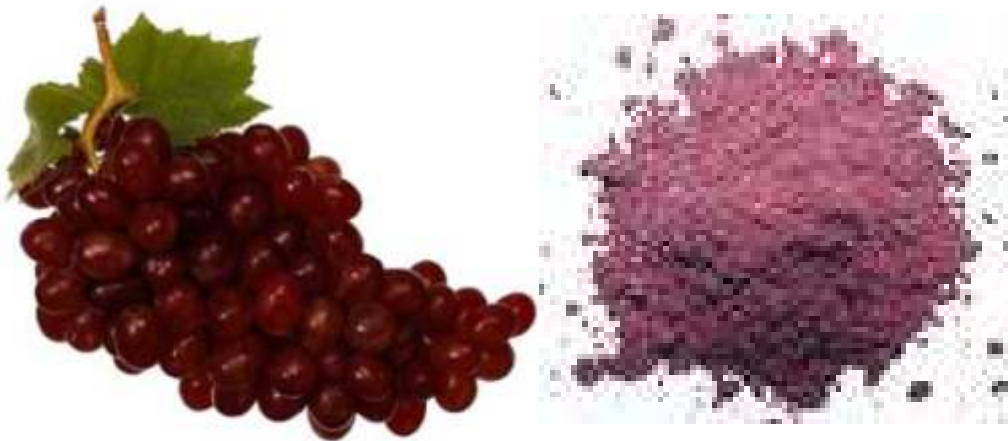

Muscadine grapes, are purple or bronze in color. They are native to the southeastern United States. Muscadine grapes look different from other grapes. They ripen individually within loose clusters. They're big, have thick skins, and seeds. These are all important components that produce powerful health benefits.

### Quality Policy

Committed to improve customer satisfaction by measuring customers perception and defying suitable quality objectives.

Provide safe, Natural, Traditional Spices maintaining traditional taste and purity of contents, use safe, work method in hygienically controlled environment.

Purple Defense Grape Seed Powder is a natural, whole food product made for easy access to muscadine grape's antioxidant nutrients. The seeds in Purple Defense are pulverized so that you can receive the maximum health benefits by taking 2 a day. Each power-packed dose can provide:

Grape Powder Offered in several varieties, Grape Powders can be used in low concentrations as an added ingredient in any application where flour is normally used including breads, pastas and much more.

The researchers aren't certain why the lower dose of grape powder was more effective than the higher one. However, they believe that the active components in the grapes may have different effects at low dose than they do at high dose, which is a fairly common finding in nutritional studies

Description: Nowadays, grape seed extract is a very popular dietary supplement. The discovery of it is a very interesting history. It originated from French Parada It aroused the curiosity of scientists. After long time analysis and comparison, scientists found active antioxidant components in the red wine helping French keep health.
