

JAIPUR ROYAL (WHITE BASMATI RICE)

JAIPUR ROYAL WHITE RICE Matured Basmati Rice grown in Foot Hill of Himalayas. Milled from Paddy procured from designated Madis'. Best Length available with us, Best Finished, Best Cooking.

JAIPUR ROYAL WHITE RICE has been grown in South Central Asia/ INDIA for many centuries. The Rice Paddies located in the Foothills of the Himalayan Mountains produce the most aromatic Red Rice. JAIPUR ROYAL WHITE Rice is also grown in France. Similar in shape to brown rice but with a deep rosy color, Red Rice contains more of the Natural Bran than does White Rice. For this reason it requires a longer cooking time and has a nuttier more complex flavor than processed White Rices.

This Basmati rice originates from India's Basmati seeds. Prized for its aromatic qualities, this unique rice fills your home with the fragrance of popping corn while it cooks. The delightful popcorn fragrance and flavor is natural to this aromatic rice. Nothing was added to this rice and no special steps are needed to achieve this special aroma and flavor. It looks and cooks just like other long grain rice's. This is one of the most flavorful rice's you'll ever taste
