

Tulsiphool (White Rice)

Tulsiphool White Rice is very popular among certain ethnic groups. It is also referred to as "waxy rice," "glutinous rice" and "mochi." Used for sticky sweets, snacks and desserts. Used in indian sushi.

This rice has been allowed to mature to its fullest flavor in the field.

I've got some sweet brown rice I need to use up. I've used it in sushi, and I've been thinking of making homemade mochi, and I'm tempted to try amazake.

I found the homemade Amazake recipe in Michio Kushi's book

There are many brands of short-grain rice that can be used for making sushi. Look for Taj agro Brand and make sure it says "short grain" or "medium grain" on it. You can also use brown short-grain rice, just know that the texture will be different. While glutinous rice is also sometimes used for preparing sushi, short-grain is traditional. Make sure you know what you're getting.
